

North Creek Loop TRAIL PROJECT

The North Creek Loop Trail Committee's mission is to expand the fully paved Boulder Junction Heart of Vilas County Bike Trail along Highway H from Highway K to North Creek Road. This expansion will enhance Boulder Junction's existing trail system in addition to providing a scenic and safe connection to the Heart of Vilas County Bike Trail. Both residents and visitors alike who bike, walk, run or rollerblade will benefit from this project. Our goal is to raise \$875,000.00 to make this dream a reality.

Help Make the North Creek Loop a Reality!
