

North Creek Loop TRAIL PROJECT

Project Details

Spring 2022 – PHASE 1 TRAIL CONSTRUCTION WILL BEGIN

May 2022 – Will apply for Phase 2 DNR grant

April 2022 – Will apply for Boulder Junction Community Foundation Phase 2 grant

February 2022 – Anticipate hearing outcome of Phase 2 DOT TAP grant application

December 2021 – Will apply for Phase 2 DOT TAP grant

October 2021 – Phase 1 surveying to be completed

October 2021 – As of early October, all needed clearing equipment parts have been received and repairs made. Trail clearing to resume and continue through the winter.

July 2021 – Trail clearing began. Due to severe storms across the Northwoods in late July, along with the breakdown of equipment, clearing has been idle since early August. Storm damage clearing tasks became immediate priority and, due to COVID-19 issues, procuring needed parts for clearing equipment was delayed.

June 2021 – Phase 1 fundraising complete (\$520,000 - THANK YOU DONORS!)

May 2021 – Phase 2 DNR grant application submitted (expect outcome September 2021)

April 2021 – Boulder Junction Community Foundation grant awarded (\$5000)

December 2020 – Phase 1 fundraising begins

October 2020 – Town of Boulder Junction approves project and funding (\$100,000)

October 2020 – Boulder Junction Community Foundation designated fiduciary

September 2020 – DNR grant awarded (\$217,299)

May 2020 – DNR grant application submitted

February 2020 – DOT grant denied

December 2019 – DOT grant application submitted

Fall 2019 – Grant writing begins

December 2018 – Donation requests begin

Summer 2018 – Public information/awareness campaign begins

March 2018 – Verbal contact with property owners

March 2018 – Planning meetings with Vilas County Highway Commission and Northern Highland-American Legion State Forest

March 2018 – Town and Country Engineering selected

March 2018 – Requests for proposals sent to seven engineering firms

September 2017 – Committee receives permission from Town Board to move forward with planning
